I have read and understand the following information regarding my change of major or minor: Yes No

- ✓ Catalog terms for any declaration cannot be retroactive (a student can always move forward, but never backwards).
- ✓ All curriculum requirements for either a major or minor can be found in the corresponding catalog.
- ✓ A student must maintain active credits in the primary major for Financial Aid eligibility calculations for FT or PT.
- ✓ Minors are designed to fit into the electives of the attached major, and cannot matriculate on their own.
- ✓ Only the department officials can approve major/minor requirements of that department.
