

Verification of 2023 Income Information for Parent Nontax Filers

Your 2025-2026 Free Application for Federal Student Aid (FAFSA) was selected by the Department of Education for review in a process called Verification. Federal law requires the Office of Financial Aid to confirm the information you and your parents reported on your FAFSA before awarding federal student aid. To verify that you provided the correct information, we will compare your FAFSA with the information on this worksheet and any other required documents. We may ask for additional information. If there are differences, your FAFSA may need to be corrected.
